FUWA-FUWA DOME

"Fuwa-fuwa Dome" is a membrane trampoline that utilizes the power of air. Children will be able to jump, bounce, slide, and play to their hearts content in the open air. "Fuwa-fuwa Dome" are becoming immensely popular and attracting large numbers of users around the country.

Building facilities
with smiling faces
of children

Unrivalled Fun

They are unique: there is nothing that stimulates the imagination of children like "Fuwa-fuwa Dome".

Attracting Greater Numbers of Users

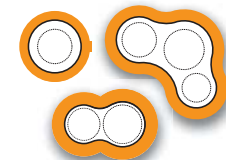

"Fuwa-fuwa Dome" have been given high marks by a wide variety of sectors. In Japan, "Soft Domes" are being installed at a pace of 5-6 domes a year. The "Fuwa-fuwa Dome" can be counted on to attract greater numbers of users to parks and recreational facilities.

Safe and Secure Playground Equipment

"Fuwa-fuwa Dome" carry the SP Mark, a mark of safe and secure playground equipment given by Japan Park Facilities Association exclusively to accredited companies. Note: Certification is effective only in Japan.

A Huge Selection to Choose from "Fuwa+fuwa Dome" Come in 3 Shapes

"Fuwa-fuwa Dome" can accommodate any lot area or landscape, and layouts utilizing existing playground equipment are also possible.

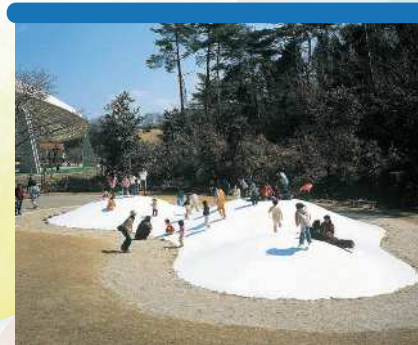

OUR PROJECTS

Kids love them!
We have installed our Fuwa-fuwa Dom (air-supported membrane structure) at over 100 locations throughout Japan (as of March 2015).
A popular attraction wherever it is found, the Fuwa-fuwa Dome is enjoyed by numerous park-going children nationwide.

"Because smiling
makes the world go round."
